

UNDATED PLANNER

the year ahead.

a kaizen planner • small steps, every day

the kaizen way

Kaizen is a Japanese idea that means "change for the better". It is about getting a little better, a little at a time, and keeping at it. No big overhauls: one small improvement, repeated.

1 · PLAN

Pick one small thing to improve. Make it small enough to start today.

2 · DO

Try it for a week. Keep it easy to repeat.

3 · CHECK

Look back honestly. What worked? What got in the way?

4 · ADJUST

Keep what worked, change what did not, and go again.

HOW THIS PLANNER HELPS

Each week has a "1% better" box for one small improvement. Each month starts with one improvement to focus on, and the habit tracker shows whether it is sticking. The improvement log and five whys pages in the year section are for noticing problems and fixing them at the root.

MY 1% FOR THIS YEAR

This graphic consists of eight identical horizontal rows stacked vertically. Each row begins with a small, solid orange circle on the left side. To the right of the circle is a long, thin, light purple horizontal line that spans most of the width of the page. The circles are aligned vertically along the left edge of the lines.
